**PRESS RELEASE**

RABAT, MARCH 22, 2022

## Caisse de Dépôt et de Gestion receives the 2021 e-mtiaz award for its AMANTI service

As part of the 14th edition of the National Prize for Electronic Administration "e-mtiaz 2021", the Caisse de Dépôt et de Gestion received, this Monday, March 21st, 2022, the prize of excellence in the category "Mobile applications for its AMANTI service.

Dedicated to mobile applications that can be consulted on smartphones and tablets (IOS, Android, Windows, etc.), this category rewards the best service enabling citizens and businesses, through creative and innovative solutions, to access public services in a simple and efficient way. .

Initiated by the Ministry of Digital Transition and Administrative Reform since 2005, the national digital administration prize "e-mtiaz" aims to promote and encourage the development of digital public services in Morocco and to create a competition between the various public players (administrations, public establishments and the private sector, municipalities and public service delegates).

As a reminder, AMANTI is a platform available in web and mobile format, made available to the general public for remote research of dormant assets recorded at CDG. It allows Moroccan citizens and all other persons residing in Morocco or abroad to search online for funds from their inactive bank accounts which have been transferred to CDG under article 152 of law 12- 103 relating to credit institutions and similar bodies.
